

Hey, I'm Logan O'Brien and I'm running for VP Activities. I'm originally from Calgary, but I recently moved to Toronto and now I'm here, at UPEI studying political science and business. I've been DJing for six years in Calgary, in Toronto and around Ontario and now in Prince Edward Island.

Some people may think I'm running for VP Activities so The Wave will be all DJ's all the time, but that's not what I want at all. I'm hoping to still bring in DJ's, but I also want to see a lot more live music from the Maritimes and across Canada. Beyond The Wave, I would like to plan activities to boost school spirit at UPEI. Living in other cities and seeing other universities, I feel I could offer a lot of new and innovative ideas to increase participation at our school. This means activities outside of Saturday nights at The Wave; it means higher attendance at all sports games and it means being proud to be a Panther.

This is why I'm running for VP Activities. Vote Logan O'Brien March 23rd-24th.
