

My name is Megan Jennings, and I am in my 3<sup>rd</sup> year of study in the arts faculty. This year, I am running for the position of Executive VP of the Student Union. I am qualified in my leadership skills, and I am extremely dedicated to the student population. In years past, our Student Union has strived to unite the student populace at UPEI. As the Executive VP, I want to continue and further these goals. Having sat on Student Union as an arts representative, I have worked (along with the other student union members) to create long term plans for our union and our school. My goals as you Executive VP are:

1. To establish a radio in collaboration with the Cadre in order to enhance communication between the school, the students, the faculty/staff and the community;
2. to further the renovation plans for our campus pub, the Wave;
3. to work with the other executive in establishing the VP Communications position and duties, also in order to enhance communications;
4. to endorse more events of different varieties in order to broaden the general attendance of our students, and to meet these desires;

and finally

5. to listen to you, the student, wishes and expectations for our Student Union.

So help me put U back into UPEI's SU!
