

Patrick Greco is a native Calgarian who has resided in Prince Edward Island for the last 4 years. In those 4 years, he has seen a lot of big changes involving the University of Prince Edward Island. Patrick feels that he can bring forward a new vision and enthusiasm into the Student Union position. Patrick wants to bring in a new era of open-communication and responsible representation, something he feels that the entire student body has been lacking.

Patrick has been actively involved in campus life throughout the last 4 years. He has held the Residence Life Advisor position for 2 consecutive years, a position that involved creating and maintaining a safe environment for students living on campus. It was a job that required Patrick to be accessible to students 24 hours a day and 7 days a week. He was also a first year advisor and the New Student Orientation Coordinator for 2009. He has also been a reporter for *The Cadre* as well as a campus tour guide. And not to mention being involved in various charitable events like the residence Miss Marian pageant and Relay for Life.

With your votes, Patrick feels that together, we can make a difference. Patrick wants to put the YOU back into UPEI. Vote for Patrick Greco for Student Union President.
