

My name is Russell Campbell and I am running for the UPEI Student Union AVC Representative position. I am a resident of Prince Edward Island, and am currently in my 2nd year at the Atlantic Veterinary College. I am running for this position because I feel that there is a lack of communication between the Vet College and UPEI, and I would like to see that changed. I feel that the Atlantic Veterinary College has much to offer to UPEI and if elected, I plan to strengthen the relationship between the two institutions.

Prior to entering the Vet College, I spent 2 years at the Nova Scotia Agriculture College, where I was elected to the VP Administration position at the NSAC SU, and following that, I was a student at UPEI in the Biology Program for two years. I feel that as a former UPEI student, and a current AVC student, I am well qualified to represent the Atlantic Veterinary College and act as the voice for AVC students.

Thank you for your consideration.
