

Good evening council,

Not much to report this week as we have not yet had our first meeting for the academic year. Will and I did both attend Board orientation on September 11th, which was a great opportunity to meet new members and get an indepth look at the Board of Governors of UPEI.

There will be three events next week that I will be attending as a member of the Board, including Distinguished and Inspiring Young Alumni Awards on the 27th at 6:30pm, a Celebration Dinner for Dr. Don McDougall (the past Chancellor of UPEI) on Friday at 6pm, and the Installation of The Honourable Catherine Callbeck (the new Chancellor of the university) on Saturday beginning at 2pm.

The first meeting of the Property and Assets Committee, which is the committee that I sit on as a Board member, will not have a meeting until November 16th at 2pm. The next Board of Governors meeting will be on Thursday, October 4th at 6pm.

Regards,
Owen
