## Summary

- Events
- Environmental Sustainability
- Productive Campaigns
- Building Relationships
- Increasing Club Engagement

## Events

### What I've done:

- planned more events (Tribute nights/ Silent Disco/ Live Bands/ International Night)
- spiced events up (Sponsored BBQ, Hydration Station, etc)
- Started offering online ticket sales
- worked with Josh to build perfect/ non-conflictive schedule

### What Else to do?

- Plan events for second semester, keeping accessibility and affordability in mind
- continue to be creative with events
- continue offering a food/drink station at Wet-Dry's to promote healthy drinking and looking for donations

## Sustainability

### What I've done:

- Planned Environmental Week included internal and external organizations
- Working with Environmental Society to make our building more green (recycling bins, proper garbage separation)

### What else to do?

- develop a "Campus Green Map" highlighting all things environmentally friendly on campus
- Continue to educate students and staff
- Continue to work towards a sustainable building

## Productive Campaigns

### What I've done:

- planned first campaigns (Consent, Enviro, Diversity Weeks)
- Incorporated Mental Health Mondays
- Created PEP-AH Committee on campus

### What else to do?

- Plan and execute remaining campaigns (including a planning committee for L&S Week)
- Work with University to assess Alcohol harms and create campaign based on this information
- Have a strong presence in MHW
- Create a template for future VPSL for organizing campaigns

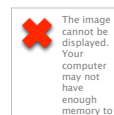

## Building Relationships

### What I've done:

- worked with key societies such as OurTurn, Queer Collective, ISA, Jack.Org etc. to plan events/campaigns
- rebuilt connection with SA, Athletics, IRO

### What else to do?

- Ensure there is proper follow up to all parties
- Continue to refer to groups when planning events and campaigns

## Increasing Club Engagement

### What I've done:

- Create club membership card
- Improve communications by adding descriptions and keeping contact information updated.
- Beginning offering club workshops (similar to FIDP)

### What Else to do?

- Create organization system for all clubs and their files
- Hold clubs and societies fair in January
- Develop template for club executives to fill out to improve transitions

## Student Engagement

- Developed quick & easy form for volunteer interests

To do:

- Volunteer system/club system
