

## Science Representatives Councillor Report

November 18<sup>th</sup>, 2018

Joe Weatherby\*, Mustafa Tahir, Eddy MacKinnon

The chemistry society has been hard at work getting ready for the christmas season. On Friday November 16<sup>h</sup>, members were invited to decorate the chemistry lounge in the upstairs chemistry building. Chemistry students are clearly passionate about christmas, the decorations look great! In other news, the society finished taking orders for their christmas clothing order, the crewneck sweatshirts were a big hit again this year!

Biology was looking forward to hosting their “Bio Crawl” on Friday November 16<sup>th</sup>, however, due to weather issues the event is postponed until Friday, November 23<sup>rd</sup>. Looking forward to hearing how this event goes!

An outing for the physics society to Dooly’s has also been postponed to a later date due to the weather on Friday.
