

## Council Report, VPSL, December 2nd

### **Events:**

#### **Diversity Week:**

- Was overall effective, some events/activities more than others (e.g., Postcards across the world, “gender-bread” cookie decorating, and the Drag event)
- Lack of interest due to assumed stressful time of semester for students, I would recommend changing the dates for next year
- Issues encountered included lack of volunteers, last minute changes, etc

#### **Stress Less Night:**

- Cancelled due to snowstorm :(

#### **Clubs Cup:**

- Cancelled due to snowstorm

### **Planning:**

#### **Mental Health Monday:**

- Will be collaborating with Jack.Org to make Exam Kits!
- We will have tables set up at the library and the SU building, with supplies (candy, school supplies, etc) for people to make their own exam kit, free of charge
- Tell all your friends, as we have lots of supplies and want to reach as many people as possible!

#### **Wishing Tree:**

- Starting on Monday, we will have a “tree” in the concourse of the SU building for students to write any wishes they may have
- The SU will do our best to grant these wishes (within reason), as a Christmas gift of appreciation for our amazing students

#### **Stress Less Express: Christmas Edition:**

- Over the last week of exams, we will be across campus handing out treats and encouragement while students finish their exams.
- More details to come, but we hope to see Mr. MacGuigan dressed as Santa

### **Other:**

- Foodbank is getting ready to open its doors! Signage is being ordered, and small renovations have started. We will be buying a full beginning stock, as well as accepting any donations.

- Beginning to plan Two Years Eve Wet-Dry and looking for suggestions. If you have any ideas or opinions on this event, please reach out to me!
- Also working on the Recklaw concert happening in January! If anyone would like to help out or gain some experience let me know (you may also get to meet them!!)
- Working with the Mental Health Week Committee with the university. Schedule is almost done, and it's looking very good!
- Wishing everyone good luck on their exams, and passing on as much encouragement as I can. If anyone needs anything at all in the next few weeks (candy, encouragement, hugs) please let me know! I am here to help! You got this!
