

February 10th - VP Student Life Report to Council

Events:

Mental Health Monday:

- Free coffee, hot chocolate and tea, with healthy snacks
- New Year's resolutions - will be sending out emails to everyone in February

Clubs Fair:

- Cancelled due to snowstorm
- Decided not to reschedule, due to lack of interest from clubs and societies

Reklaw Concert:

- Went "swimmingly"!! Couldn't be happier with the turnout.
- Had roughly 650 people attend.
- Band was awesome, opener was awesome!

Mental Health Week:

- Happened from January 28th-February 1st
- Key events: Kick-off speaker Jeremie Saunders, Bell Let's Talk Day
- SU played some roles in this, it was a busy but effective week, I am happy it was moved to earlier in the year
- Soup for the Soul! Success!!

Mental Health Monday:

- "Come be a kid for a day" where we had science experiments, crafts, toys and more!
- Decent turn out, but mostly for the snacks

Cannabis Awareness Campaign:

- Had funding from PEI Cannabis and worked with PEP-AH committee
- Went really well, we had pizza, shirts, munchies, etc and talked to almost 200 people
- Moving forward we have an official invite to sit on UPEI's alcohol and drug reduction advisory committee from VP Jackie Podger

Pitbull Appreciation Night:

- Great but weird event, but everyone had fun
- Not a great turn out, but cheap to put on!

Planning:

Love and Sex Week:

- First off, thank you to the committee for their hard work!
- We have a great line up of diverse and inclusive events and I can't wait to see how it goes
- Partnered with Wild Impulse, PEERs Alliance, the Cadre and much more!
- As councillors, do your best to check some out!

Clubs workshop and Clubs cup:

- Workshop to happen in the future focusing on "Why it is beneficial to be involved" as we've seen a lack of interest and effort from clubs and societies
- After this, we will be organizing a "Society Feud" in collaboration with the Fox & Crow

Beach Blast:

- Small details are being worked on! Ordering a new net and different "swag" to put in team packs
- Working on a plan to make less of a mess for facilities and keep it more organized
- Beginning initial phases of contacting important people and booking performers

Other:

- Supplies hours have changed!! We will now be open 24/7 to ensure people get what they need when they need.
- Met with events working group on campus to discuss upcoming events for this semester - great conversations and great things happening at UPEI.
 - This brought up discussions about Beach Blast, and its effects on the campus (SU building specifically). Met with Jackie Podger and action item will be for myself and facilities to create a strategic operations plan (SOP) for smoother transitions and ease when planning.
- Busy with research regarding club ratifications, which will be explained further into the meeting
- Honorary Degree committee has chosen the recipients
- Relay for Life is coming up, and if you would like to register, let me know or check out the Facebook page where I posted the link
