

Report to Council
John Ployer - VPFA

February 24th, 2019

Good evening council! Because one of the past two weeks was our reading week this report will be short. Mostly just updates on a few continuous projects.

History Book

Last week Jacob interview two key individuals for the book, and researched the history of the various buildings on campus to include as “quick facts” in the book. Everything remains on schedule for that project. I hope to have a contract signed with whoever we go with for the publisher within the next couple weeks.

Budget Committee

Budget Committee had a quick meeting last week to go over the results of the survey. It gave us a rough idea on what our priorities should be for the 2019-2020 budget based on student feedback. We’ll be meeting about once a week until the budget is completed so if you or anyone else has any ideas do not hesitate to reach out to myself or the budget committee.

Funding Committee

Just a reminder that funding committee will be meeting this week. If you are going on a trip in March please fill in the form by Thursday.
