

Hi Council! This report will be fairly short as most of what I've been focusing on is Beach Blast and only Beach Blast!

Planning:

Beach Blast:

- So much planning! This is the biggest event of the year, and therefore requires a lot of work put in.
- Trying to do things differently and more organized this year, so there's even more to do!
 - New team packs
 - Earlier Team Registration
 - New set up
- Did some extra spending to ease difficulty for the future (bought our own equipment, paying people to shovel sand, etc)
- Thank you to all councillors that took time to help me, in any capacity. We couldn't do it without you!

Mental Health Monday:

- This monday
- Cupcakes in support of Humane Society's cupcake day
- Tessa is spearheading this!

Other:

- Relay for Life!! Please sign up and register if you're interested in joining our team! If you have any questions, feel free to ask!
- Supplies: going over well! Thanks to everyone who has been helping me keep it stocked!
