SU Elections Manual

Introduction

This manual is intended to assist you in your preparations to become a Candidate for the next UPEISU Election. It will also walk you through the Elections process and the rules and procedures that all Candidates must follow in order to ensure a fair Election. Candidates and their campaign/volunteer team are responsible for understanding all of the material in the Nomination Package, including the Election Policy that appears at the start of the package.

What is the SU?

The SU is a student-governed and student-led organization. The UPEI Student Union is a non-profit democratic representation of students. We are dedicated to fostering pride in the university, the betterment of university life, and enhancing the student experience at UPEI. We value our independence as an organization while maintaining effective relationships with the university and surrounding community.

Whether it's an affordability concern, an accessibility issue or a matter related to the quality of education, the SU advocates on behalf of students to the university and all three levels of government. In addition, we offer a wide range of programs, services and businesses to support you and enhance your quality of life on campus. You are the reason we exist.

What is Student Union Council?

The Student Union Council is an essential component of student life here at the University of Prince Edward Island. These student members are part of the highest governing body of the UPEISU and their focus is to enrich the undergraduate experience for over 5,000 students at UPEI. Student Council is made up of the Executive (President and three Vice-Presidents), 13 Faculty Representatives, and 10 other elected officials. The Executive sets the direction for the SU each year, and together the Student Council approves this direction and keeps the organization accountable to it.

Also, during the Academic Year the President is only able to take 3 courses per semester. It is recommended that Vice-Presidents take three courses per semester as well.

If you are interested in becoming a student representative, it is a good idea to get in touch with one of the current Executive members or your Faculty Rep to learn more about what the position entails. You can also attend Student Council meetings on Sundays at 6:00 pm in MacDougall Hall 328 to see the team in action as they discuss important issues and make policy decisions for the SU. Meetings are every second week and a full schedule is posted on the SU website.

The Chief Returning Officer is also available by appointment for questions leading up to the Elections.

Eligibility

Full-time students registered in an undergraduate or graduate program at UPEI are eligible to run in UPEISU Elections. You must be a student both during the Election Period and, if elected, for the duration of your term.

SU Elections Staff

The SU designates a team of people who work together to ensure that full-time students can participate in a fair Election process. The Chief Returning Officer (CRO) and SU staff members head up the team, which includes individuals who assist with Election promotion, administrative work, and running the polling stations.

The best way to contact us: is by email (cro@upeisu.ca) Or you can stop by the SU office or call us at: 902-566-0530. Your inquiry will be handled by the first available Election staff member, or the designated individual depending on the issue.

Note! *Any communication sent to Election staff via personal numbers or social media accounts will not receive a response.*

Election staff will have regular office hours which will be posted on the SU front door and SU website at the beginning of each Election Period. Refer to the section below regarding scheduling of appointments.

Appointments

The CRO holds office hours and is available during this time for appointments to assist you with any questions or concerns.

Appointments can be made by contacting The CRO via email or phone, or by speaking to the SU front desk staff. Election staff will provide a written confirmation of the appointment date and time if the request was made by email.

Please note that appointments are given on a first-come, first-served basis and may not always occur on the same day as requested. To allow the CRO to support all Candidates equally, appointments cannot go over 30 minutes in length. If the appointment time has ended and you have further questions you will be asked to contact us by email or make another appointment.

If you are unable to meet during the designated office hours the CRO may be able to accommodate you in other ways, such as scheduling a phone meeting.

Drop-Ins

Candidates are encouraged to make an appointment in advance if they need to speak with the CRO in person. Most questions can be answered through email or over the phone.

Drop-in appointments may be given at the discretion and availability of the staff during posted office hours. During a drop-in appointment, candidates will be limited to one issue or question.

Nominations Procedures

If you've decided to run in an upcoming SU Election it's important that you understand the process of becoming an official Candidate – otherwise known as the "Nomination Period." The Nomination Period kicks off what is known as the "Election Period."

Nomination Period

Opening of the Nomination Period is advertised through UPEISU media channels. The CRO or other designated staff accepts Nomination Packages during this period in the SU main Office (MSC 201). Nomination packages will be available for pickup during regular office hours.

To become an official Candidate of an upcoming SU Election, students must submit all the mandatory items in hard copy during Nomination Days. For more information on YouTube and posting videos please visit <http://www.google.com/support/youtube>.

Withdrawing your Nomination

Students who decide to withdraw their nomination must do so in writing within 24 hours before the opening of the polls. No names shall be removed from the ballot after this time.

Campaigning Period

The day after the Nomination Period ends, the CRO or SU Staff will post a Notice of Election in the SU office, on the SU website and through social media. This notice confirms the dates and locations of voting and states which positions are being contested. All full-time students will be able cast ballots for all of the Graduate Senate, Health & Wellness, Accessibility, and Ombudsperson positions that are being contested. Faculty positions can only be voted on by students currently enrolled in that faculty. The International & Residence Representatives can only be voted on by international and residence students respectively.

Vacancies

The vacancy is filled by a By-Election, as determined by UPEISU Council.

All Candidates Meeting

All Candidates must attend the All Candidates Meeting before being eligible to run in an SU Election. The date and time is listed below, but may change due to unforeseen circumstances (weather) and an alternative date and time will be communicated to all candidates.

The meeting will take place after nominations close at the discretion of the CRO in the Student Union Boardroom 203.

If a Candidate is unable to attend the meeting they may send a designate on their behalf, but they must notify the CRO in advance.

Candidates are responsible for ensuring they have read the entire Nomination Package, including the SU Election By-Law completely before attending the All Candidates Meeting. At the meeting, the CROs will provide a review of the major rules, a reminder of deadlines, any updated information on the sanction procedures and a place for Candidates to ask general questions about campaigning. Specific questions about your campaign should be directed to the Election staff by requesting a phone or in-person appointment during posted office hours.

No campaigning of any kind can take place before the end of the Candidates Meeting for the General Election.

Your Campaign

Declaring Intent and Pre-Campaigning

Many students begin thinking about running in an SU Election long before the Notice of Nomination goes up. It's natural to want to share your thoughts on a possible campaign platform with others or try to garner support early so you can get enough signatures when the time comes. However, Pre-Campaigning is **strictly forbidden** in any SU Election. Campaigning can only occur during the designated Campaign Periods.

Pre-Campaigning is any type of activity that is done **publicly** and indicates your desire or intention to run in an upcoming Election before the designated Campaign Period has begun, such as:

- o Making an announcement in a class
- o Posting a public message or status update, or creating a public group/page on social media
- o Posting a video
- o Posting posters around campus

Note! *The CROs will contact any student engaging in Pre-Campaign activities with a warning. These students may be subject to sanctions immediately upon registering on Nomination Days.*

Campaign Period

Each Candidate must have their campaign materials approved before beginning any form of campaigning. Please ensure you understand the section on the Campaign Approval Process below before preparing your campaign strategy.

Once you have received approval, you can begin campaigning.

Campaign Approval Process

All Candidates must have their campaign materials approved before they can be used in any campaigning. To receive approval:

1. Contact the CRO and set up a time to have your material approved or stamped. This includes both electronic and paper.

TIPS! On the form, use an email address that you check regularly.

2. If you change your strategy in the middle of your campaign, or add items that were not previously included in the approved, you **MUST** contact the CRO to have the material approved. For example, if you want to create a new poster design or decide to hand out chocolate bars half way through campaign week.

Campaign Materials

Candidates may use a variety of materials to assist in the promotion of their personality and platform. Be creative and ensure that you get approval early so you can start campaigning at the start of the designated Campaign Period. Take note of the specific guidelines below and ask The CRO if you are unsure because sanctions will be imposed as needed.

Printed materials

All printed materials must include:

1. First and Last Name of Candidate
2. Position sought
3. Voting Dates

Printed materials are classified into three main categories:

Remember! Participation in an SU Election does not give you permission to violate laws or university policies. The SU will not intervene with the police or university if they conduct an investigation of a Candidate.

Election staff may remove posters or banners without reason if asked to do so by UPEI Facilities Management Department or other UPEI Departments. This includes but is not limited to any items obstructing fire lanes or sprinklers, any lawn signs or cable ties on university property, any items affixed to a door, or any other safety or security concerns. Any cost of damage or cleaning, such as peeling of paint, tape residue, etc., will be charged to the Candidate.

Food

For health and safety reasons, only **pre-packaged** food and drink will be permitted to be used as campaign material. Buying in bulk from a store and then using your own packaging (such as Ziploc bags) is **not** considered

pre-packaged. In addition, Candidates may not hand out any food or drink that is homemade (unless the proper approval has been received from the PEI Department of Health).

Examples:

Permitted – juice boxes, pop cans, chocolate bars, suckers, vacuum sealed cookie packages, food or drink if through a licensed food provider or proper approval has been received from the PEI Department of Health etc.
Not permitted – coffee, hot chocolate, baked goods made at home or from a larger package, etc.

Swag (Giveaways)

Some Candidates choose to purchase branded materials, such as pens, t-shirts, pins or plastic bracelets. Stickers are permitted but are **not** permitted to be posted on surfaces around campus. However most other swag will be approved as long as it is approved through the CRO.

Please note any form of transaction that influences voter support in an unfair way is not permitted.

Classroom Visits

Candidates may request to make an announcement in a classroom in advance. Written permission from the instructor of that particular class must be received prior to entering the classroom. Sufficient notice must be given to instructors whose classes you wish to visit (at least 24 hours). Approaching an instructor as they are setting up for a lecture is **not** considered sufficient notice. Please ensure you respect the instructor's time and classrooms. Keep a record of all permission slips and communications with instructors as The CRO may ask for them at any time. For the sake of courtesy, campaign notes on the board must be erased prior to the beginning of the next class.

Online and Multimedia

Facebook, Twitter, YouTube, Instagram, SnapChat, and personal websites or other social media are very popular methods of campaigning. You may include your social media account names, websites and video links into the campaign platform you submit with your nomination package. However, ensure your links, videos and posts are **not live** until the beginning of the designated Campaign Period. What counts as “live” depends on the type of page you choose to use (see the info box on the next page for details). Social Media Spot-Checks will be done by the CRO throughout the campaign periods. We do not need to approve every single post on social media; however, unique campaign materials (photographs, promotions, videos, etc.) **must** be approved before being posted online.

If you are using an **existing personal** Facebook, Twitter, etc.:

- ✓ **Do:** Include the active link to an existing page for approval by the CRO.
- ✗ **Do not:** Change your profile picture, status, cover photo, etc. before your material is approved.

If you are creating a **campaign-specific** Facebook, Twitter, etc.

- ✓ **Do:** Include the inactive (page not publicly available yet) link for approval.
OR
- ✓ **Do:** Include the active link with little or no content (no likes, followers, posts, profile/cover photos, etc.) for approval.
- ✗ **Do not:** Invite people to join groups, solicit likes / followers, make campaign-related posts, or update your profile or cover photo before your material is approved.

TIP! Remember to give credit where it's due if you've used photographs, music, video clips, etc.!

Logos

Candidates may not use or superimpose the SU logo, any UPEI logos (including those of individual faculties or the Panthers), or that of any organization on any of their Campaign Materials. Logos that appear in the existing environment and do not require special permissions for use may be permitted at the discretion of the CRO.

Additional Campaigning Opportunities

Forums

The most effective method of campaigning is to meet with voters face-to-face and make personal connections. During the Campaign Period, the SU hosts a debate to give you the opportunity to meet more of your constituents. The debate is normally facilitated by The Cadre, who come prepared with a list of both open and closed ended questions to allow voters to get to know your personality and more about your Election promises. If time permits, questions from the audience are also taken. Debates may not be held for every position. Often other groups on campus, such as clubs, also organize forums that are open for all Candidates to attend.

Campaigning & Rules of Fair Play

All campaigning must be positive in nature, and show respect for other candidates. This means that campaign tactics, actions, or materials that attack, demean, or unfairly target other candidates will not be allowed. A fundamental component of the democratic process is the ability and willingness to tolerate opinions that you may not agree with. By focusing on positive campaigning and respecting the diversity of opinions from all candidates, you help to ensure the election is both fair and equitable for all those involved.

Candidates must also demonstrate respect for all members of the University community when campaigning. This includes respecting the opinions and actions of University staff and administration, as well as the right of all students, staff, and faculty to continue to study and work during the Election. When campaigning, please keep this respect in mind in terms of noise, use of space, and interactions with other community members. As a candidate, your respect for all active members of the Student Union, and the university at large demonstrates a commitment to the importance of their interests. This commitment will ultimately help you if you are elected to the SU Council.

REMEMBER! *Positive campaigning does not mean that you are restricted from offering constructive criticism. As a candidate you are encouraged to debate important issues and share your opinions – just remember to do so in a professional manner. Personal attacks will not be tolerated.*

Campaign Resources and Zones

Candidates must document all resources used and **keep all original receipts** to submit with their expense if requested by the CRO.

Using any SU resources is strictly prohibited. This includes the use of technology, supplies, physical space and SU branded attire or materials (i.e. Executive Office, SU Offices, SU Businesses). If a Candidate holds a title/position with the SU at the time of the Election, they are not permitted to use that position for an unfair advantage. Candidates who hold a position within the SU may only use the SU office(s) for official SU business.

Non-candidates may not use their SU privileges to support candidates who they may be supporting or volunteering on their campaign teams. Candidates also may not use their current position with the SU on campaign materials or as a means to gather information that is not available to other Candidates. The only permitted use of a position or title is to refer to it during verbal campaigning (i.e. – forums and face to face) as “prior personal experience” or in one’s platform on a website or social media.

You MAY say at a forum or in a face-to-face conversation with a student: "I have gained a lot of communication and administrative skills as an Arts Rep and would like to continue working for students as SU President."

All SU offices and businesses are declared Campaign Free Zones at the beginning of each Election period. These spaces include the following:

- SU Main Office
- The Fox & Crow (except for the Candidates debate)
- The Cadre
- The NEXUS Yearbook

Respect the rules set by this manual and the university facilities. Everyone's ability to campaign depends on candidates abiding by these standards. Repeated and willful violations will result in warnings or increased levels of sanctions.

Unattended campaign materials (costumes, photo booths, etc.), if found by and at the discretion of CRO or university facilities, will be confiscated and subject to warnings or increased levels of sanctions.

TIP! Stick to the following general rules when deciding where to campaign:

Where TO Campaign:	Where NOT to Campaign:
Face-to-face in common areas such as Murphy Student Centre or hallways	SU office, satellite offices, or businesses
Online	Painted surfaces: walls, concrete, railings Bathrooms
Poster boards	Glass doors in any building
Unpainted surfaces: Walls, railings, brick, concrete	Over other candidate materials
Classrooms (with written permission)	Trees, fences, lamp posts, lawn signs, etc.
Bulletin boards	Residence buildings (You are permitted in the meal hall and main entrances)
Meeting with clubs & societies or other groups on campus.	

UPEI Facilities/Operations may designate any area on any campus "Campaign Free" at any time. You may be asked to remove your materials if this occurs.

Campaign Team

Running a campaign is hard work. Many Candidates enlist the help of classmates or friends to develop a strategy, post and hand out campaign materials, and reach out to voters. There is no

limit on how many people can join your campaign team, but remember to recruit your team privately if you are doing so during any Pre-Campaign periods.

Campaign Team members are volunteers and **may not** receive any type of compensation such as a gift card or cash.

TIP! Review all important information in the Elections & Referendum By-Law with your Campaign Team prior to the start of the Election Period. Candidates are responsible for the actions of, and any subsequent violations made by, their Campaign Team members.

Campaign Volunteers

Campaign Volunteers may assist any Candidate in a non-official capacity and may not receive any type of honoraria.

Election expenses do not cover volunteer appreciation. Candidates choosing to provide any form of appreciation to their volunteers must do so after the conclusion of the Election (after Official Results are announced) and at their own expense.

Scrutineer

Candidates may appoint a scrutineer in writing to the CRO prior to the polls opening. The scrutineer will be present while the voting results are collected and the votes are tabulated.

Endorsements

Candidates often request groups or clubs on campus to endorse their campaign in order to reach a larger number of voters. **All endorsements must be verbal or written only.**

Candidates may not receive any monetary, in-kind, or material endorsements from any third parties (individuals or groups) of any kind (including covering the cost of campaign materials, room/table rentals, or other benefits). Any written or verbal endorsement must be authorized by the Executive or leadership of the group or club.

If an SU Club or other group decides to endorse a Candidate through an online platform, the group administrator must send the message on behalf of the Candidate.

SU Elected Officials and SU staff may not utilize SU resources, including their title and any established modes of communicating to students on behalf of the SU, to endorse Candidates.

Funding your Campaign (Expenses)

One way that we ensure fairness amongst Candidates is to place a maximum spending limit on campaign related expenses. Expenses include anything that is used to assist you to market yourself and your ideas during the Election Period, such as: poster printing, stationary, giveaways, costumes (rented or purchased), props, table rentals, etc.

All Candidates must keep their receipts in case the CRO requests them to submit a Campaign Expense form.

Candidates must stay within the following spending limits, based on the position they are running for:

- **Faculty Representatives: \$100.00**
- **All other elected positions: \$100.00**

Campaign Expenses

Please follow the following steps for campaign expenses.

1. Keep track of all your spending and hang on to ALL receipts.
2. If requested by the CRO fill out the Campaign Expense Form fully (found in the Nomination Package). Staple all receipts to the form. Submit your form and receipts in a sealed envelope, with your name on the front, to the SU office.
3. Receipts will be returned to the candidates after the approval of the election results.

Unreceipted Expenses

Unreceipted expenses should be kept to a minimum. These are expenses for which a receipt/invoice is not available, or for a new purchase where the receipt was lost. We recommend buying new, or from reputable suppliers as much as possible to avoid confusion and exceeding expense limits. The maximum value that will be considered for approval is \$5.00. The approval of un-receipted expenses is at the discretion of the Elections staff.

An example of an unreceipted expense would be if you used a previously purchased roll of tape from home and estimated the cost to be \$3.50. This amount would be considered a part of your expenses, and would be counted towards your budget. This would mean that your other expenses (with receipts) could not total more than the budget minus \$3.50 (either \$96.50 for Faculty, Board, and Senate Candidates, or \$246.50 for Executive Candidates)

If you have any questions about un-receipted expenses or campaign spending limits, please contact the Elections staff.

Complaints

As per the SU Elections & Referendum By-Law, Election staff will accept complaints from any member of the university community regarding violations that may impact the validity and fairness of a Union Election. Complaints may be made using the Election Complaint Form, found in your package or at the SU office. A hard copy of the form will be accepted at the main SU office and will be dated and signed by SU staff to ensure complaints are addressed on a first-come, first-served basis. Complaints will not be accepted through email or over the phone.

All complaints must include:

1. Full Name of the Complainant
2. Full Name of the Candidate in question
3. A description of the perceived violation (including a reference to the section of the SU Election Rules that has been violated)
4. Any additional evidence (such as emails, photos, screenshots, etc. may be dropped off in person or emailed to the CROs)

Upon receipt of a complaint, the CRO shall provide an initial response to the Complainant within 24 hours. The staff will investigate further if necessary and provide a written notice to both parties involved indicating the final decision, which may include a warning or sanction.

Harassment of candidates will not be tolerated. Any perceived violations of the University Code of Conduct should be reported to the CRO and will be forwarded to UPEI Student Affairs office for their review.

TIP! Making frivolous or vexatious complaints about other Candidates can also lead to sanctions for you! Stay focused on your campaign and stick to competing fairly.

For other Election-related questions or concerns, please contact the CRO by email:

cro@upeisu.ca.

Sanctions

The main job of the CRO is to uphold the principles of the SU Elections, as per the Elections & Referendum By-Law. We want to ensure that all SU Elections are:

- a) Fair and equitable for all participants;
- b) Administered in a manner that is independent and impartial;
- c) Transparent and accountable;
- d) Democratic;
- e) Environmentally and financially sustainable; and
- f) Grounded in professionalism and respect for all parties.

When Candidates make choices that go against the By-Laws, or ignore procedures laid out in this Elections Manual, these principles are violated. If this happens, the CRO will investigate to determine if the Candidate's behavior was a minor or major violation. Depending on the circumstances the CRO will then provide a warning or sanction to the Candidate. All decisions are provided in writing, usually through email.

TIP! In addition to the infractions as per the by-laws all students are subject to UPEI Code of Conduct Policy (<http://www.upei.ca/policy/files/policy/Code%20of%20Conduct%20for%20Students.pdf>) for their conduct in Union Elections. Make sure you and your Campaign team read and understand the SU Election Policy and Manual carefully.

Note! Sanctions for minor violations may not necessarily be considered cumulative; however, substantial disregard for rules outlined in the SU Election & Referendum By-Laws (i.e., multiple minor violations) that compromise the integrity of the democratic process or integrity of the election may result in a major sanction. Under normal circumstances each violation will be investigated individually and sanctions issued separately.

Voting

The SU uses an online voting system provided to us by UPEI ITSS Department. All eligible voters (Active SU Members in good standing) will be able to enter through My UPEI using their valid username and password, through the link on UPEISU social media accounts, and through the link in the UPEISU newsletter. This method allows students the opportunity to vote securely at their

convenience and from any device connected to the internet. The online ballot is available from 8:00 am on the first day of voting until 9:00 pm on the last day of voting.

Polling stations will also be set up on campus during voting days. Voting is encouraged at the computer terminals that are available at the stations. Voter fraud will **not** be tolerated.

Observing the Voting

Candidates have the right to observe voting at any Polling Station. You may be asked to identify yourself by Election staff, who have the right to designate an area where you can observe the voting from. Candidates may not interfere with voters when they are voting, especially to ask who they will or have voted for. Candidates are also not permitted to provide a device for voters to use for voting purposes (e.g. a laptop, cell phone, etc.).

Results

SU Election results are announced in two parts:

Unofficial

Shortly after the close of voting, the CRO will announce the unofficial list of Elected Officials in a public venue. This announcement is made about one to two hours after the closing of polls, usually at The Wave. The unofficial results will be available through UPEISU online platforms shortly after the announcement.

Official

The results will become official at the council meeting following the closing of the polls. The Results will be voted on for approval.
